An illustration featuring several blue hands holding various electronic devices. The devices include two tablets, a laptop, and a smartphone. The hands are positioned around the devices, with some pointing at the screens. The background is a dark gray with a subtle grid pattern.

YEAR 7 INTRODUCTION TO BYOD

BYOD

BRING YOUR OWN DEVICE

WHO AM I

My name is Mr Williams.

I am the Technology Support Officer.

WHERE CAN I FIND HELP WITH TECHNOLOGY

If you are having problem with your laptop students can.

1. Look at the BYOD page on the school website.
2. Ask your teacher for help.
3. See the TSO during recess and lunch Mondays and Tuesdays.

Use Password: Woonona to sign on.

Once Signed in Accept the terms and condtions

CLICK TOP RIGHT INITIALS TO CHANGE PASSWORD.

The screenshot shows the NSW Student Portal interface. At the top left is the NSW logo and the text "Student Portal". Below this is a large blue rectangular area representing the user's profile, with the date "Wednesday 19th January" displayed underneath. A welcome message banner reads: "Welcome to your new student portal. We have listened to your feedback and have updated the portal to be more robust, easier to use, nicer to look at! Watch a quick video by clicking anywhere on this banner to help you." Below the banner is a "Launchpad" section containing a grid of application icons: Email, My school library (Oliver), Premier's Reading Challenge, Google Workspace, Google Calendar, Google Classroom, Google Meet, Microsoft Office 365, Microsoft Teams, Zoom, Adobe Connect, T4L Kids, T4L Kids TV, Student Podcaster, and Student Filmmaker. At the bottom are two bookmark sections: "My bookmarks" (containing "Google Apps") and "School bookmarks" (containing "Student Sentral Portal"). In the top right corner, a user profile menu is open, showing a blue box with initials and a list of options: "Change password", "Update secret questions", "Help", and "Log out". A red arrow points from the bottom left towards the user initials in the top right.

Change password, Update secret questions, Help, Log out

- Enter you current password (Woonona)
- Enter a new password of your choice.
- Repeat your new password
- Press update password

Change password ⓘ ✕

Complete the fields below to change your password. You will need to enter your current password first.

Current password

Please fill out this field.

New password

Confirm new password

UPDATE PASSWORD

YOU HAVE JUST CHANGED YOUR
PASSWORD.

**Write your password in your diary
NOW**

RESETTING YOUR INTERNET CONNECTION

This needs to be done every time your password is changed.

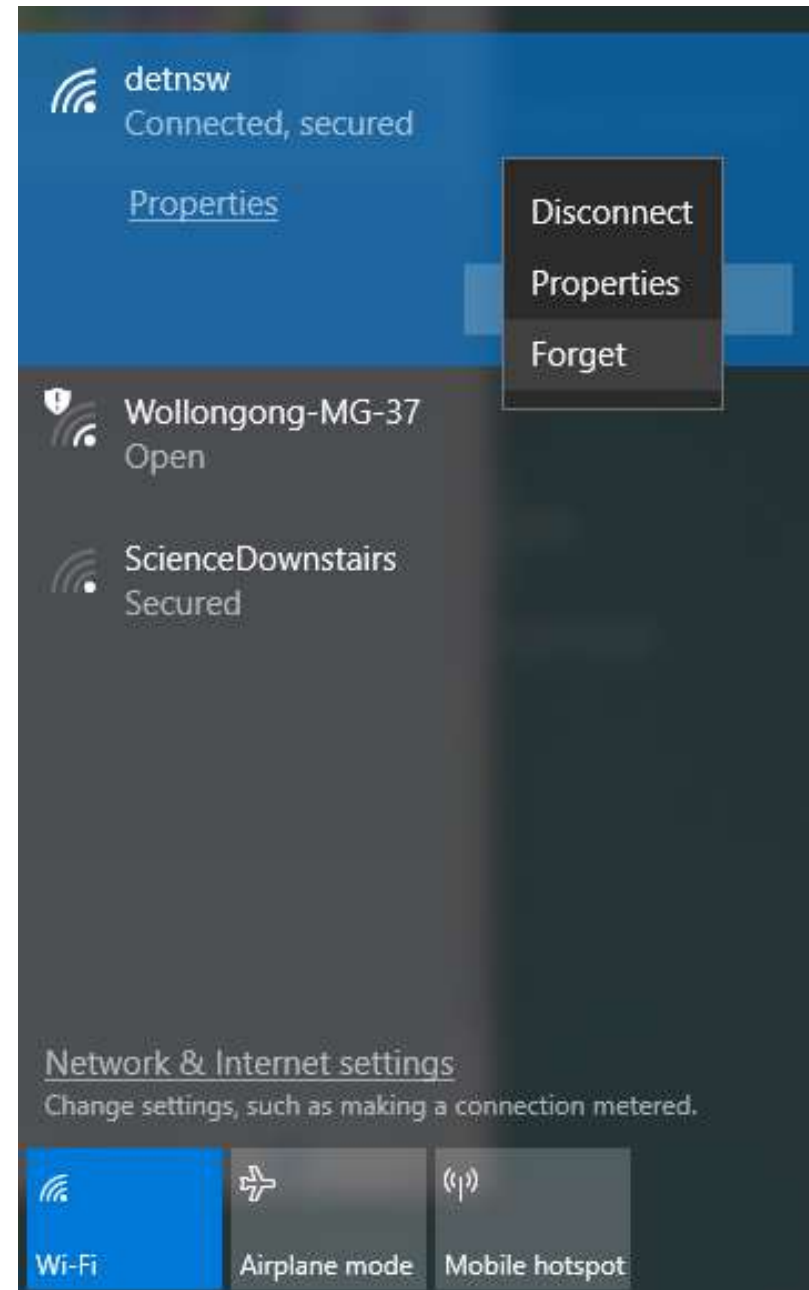

FORGETTING YOUR INTERNET CONNECTION WINDOWS

Click on wireless bars

Find the detnsw network

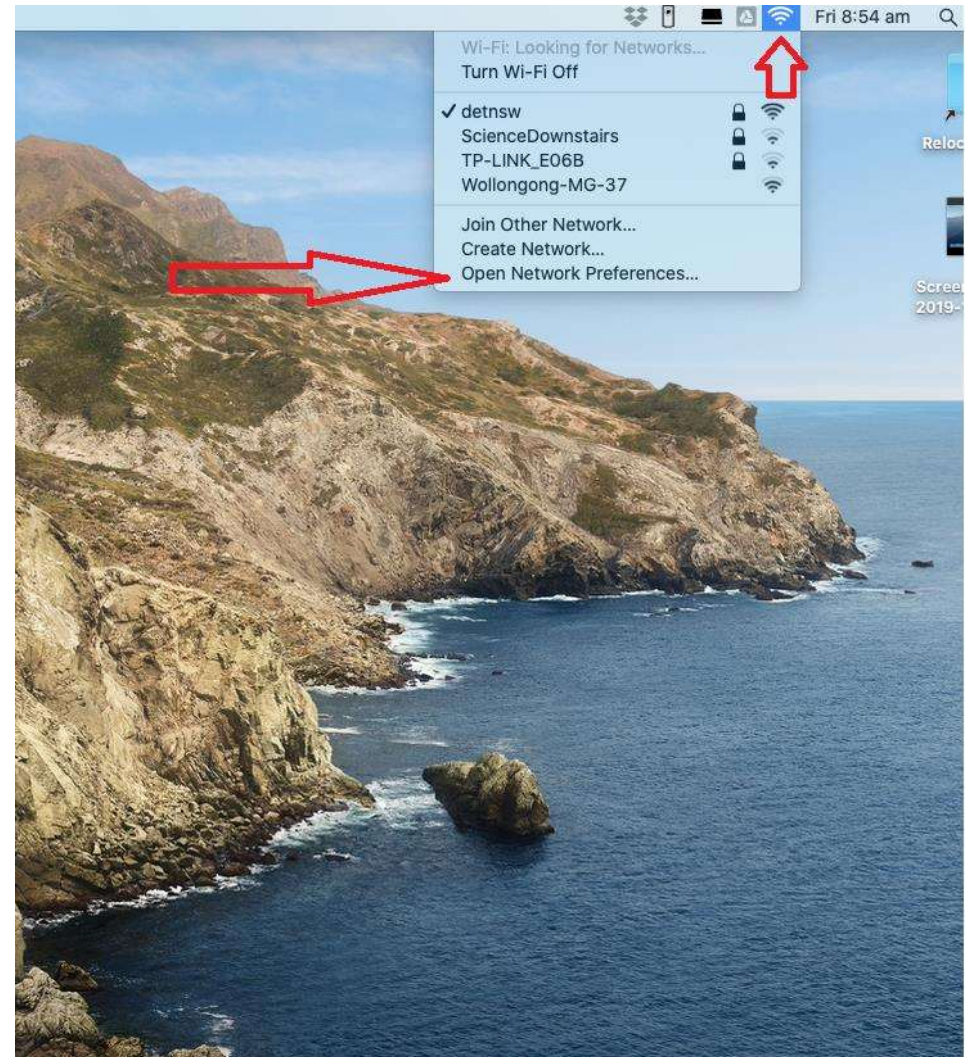

Right click on click forget
network.

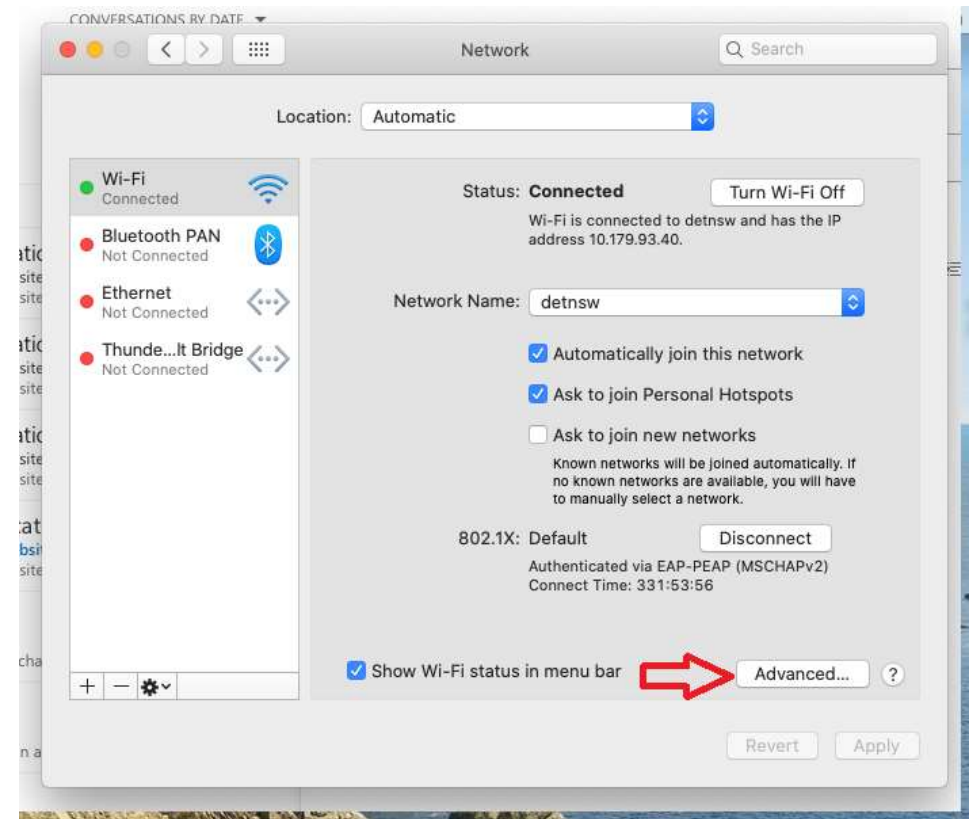

FORGETTING YOUR INTERNET CONNECTION MAC

Right click wireless bar
icon top right of screen

Select network
preferences.

Open advanced settings

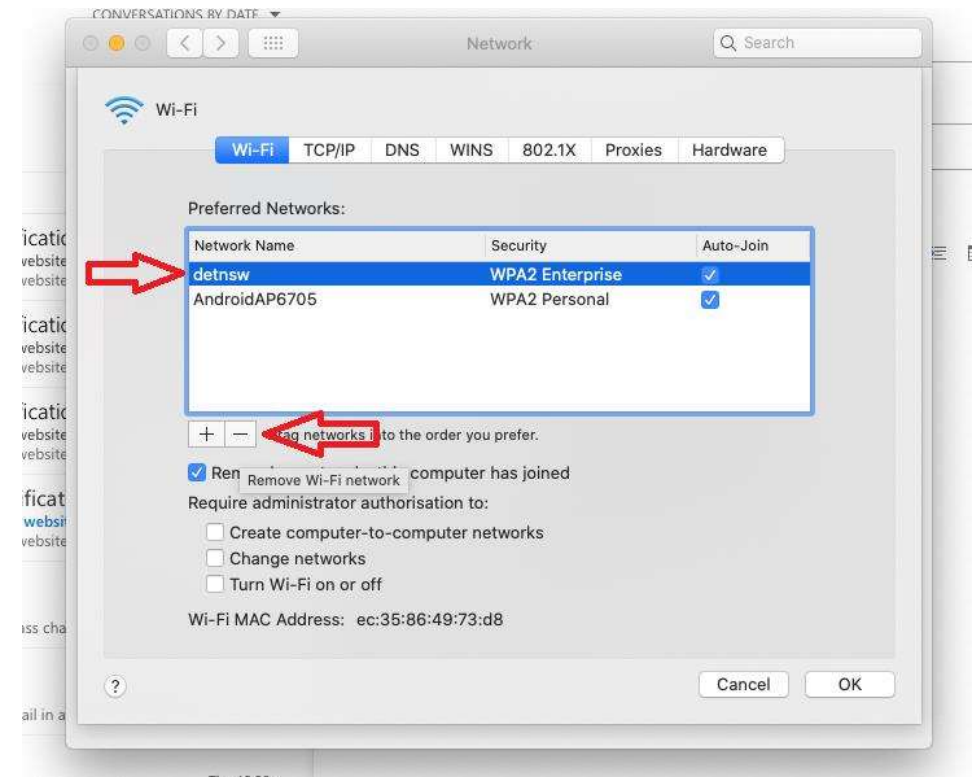

Make sure detnsw is selected

Click the minus button to delete the network

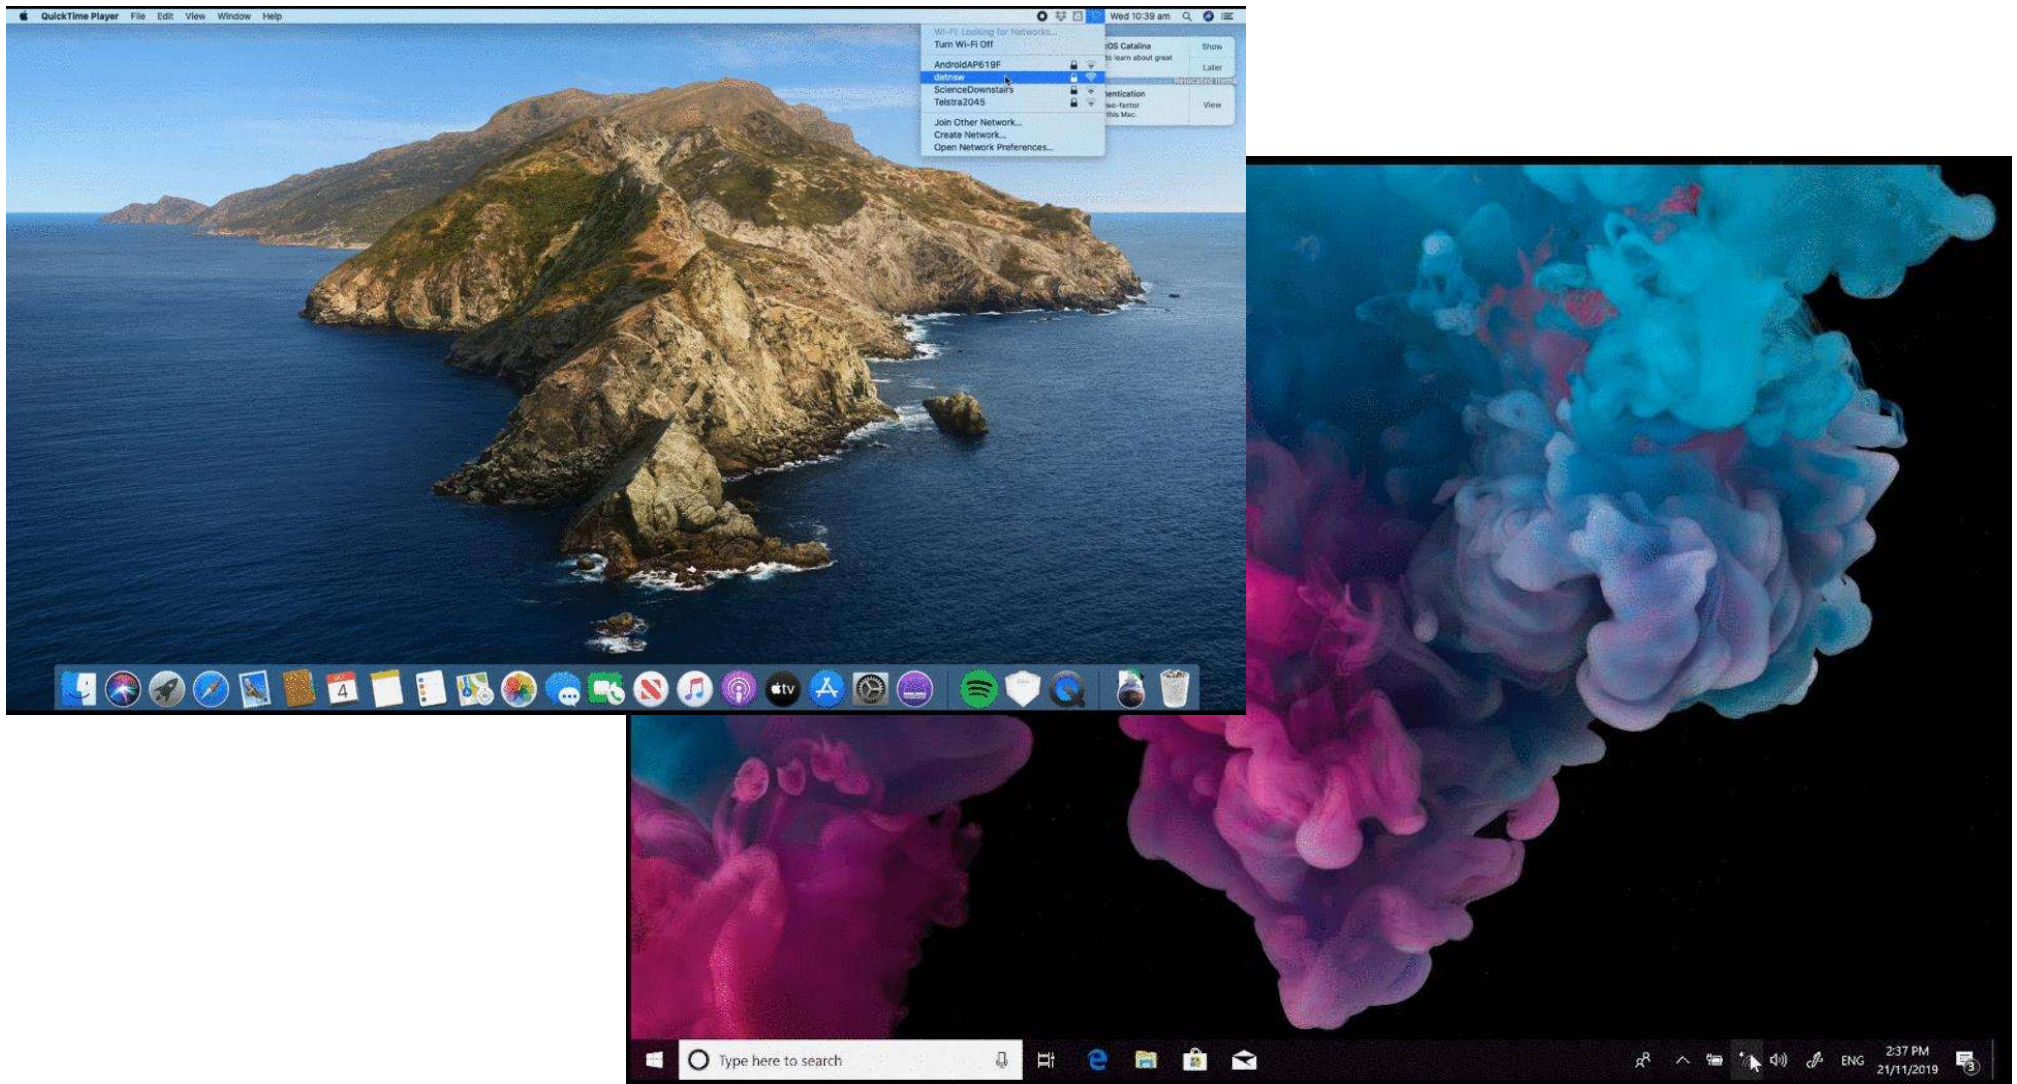

Click OK

Then Click Apply.

GETTING CONNECTED AGAIN.

FOLLOW THE SAME STEPS AS PREVIOUSLY WITH YOUR NEW
PASSWORD.

ACCESSING STUDENT EMAIL.

STUDENT EMAIL ADDRESS

Student Email addresses use the following format

First your Student Username

Then the @ Symbol

Finally, education.nsw.gov.au

Your email should look like this

Firstname.Lastname@education.nsw.gov.au

E.g.

James.Williams@education.nsw.gov.au

BROWSE TO
HTTPS://PORTAL.DET.NSW.EDU.AU/

Sign in with your Username. Eg
[firstname.lastname@detnsw](#)

Use your password to sign on.

Once Signed in Accept the terms and conditions

HOW TO COMPOSE A NEW EMAIL

First add the email address you want to send a message to

Add a subject

Type out your email message

Click Send!

The image shows a 'New Message' window with a dark header bar containing the title 'New Message' and window control icons. Below the header, there are three input fields: 'To' (with 'Cc' and 'Bcc' links to its right), 'Subject', and a large text area for the message body. At the bottom, there is a toolbar with a blue 'Send' button, followed by icons for text formatting, attachments, images, links, and emojis. A red arrow points from the text 'First add the email address you want to send a message to' to the 'To' field. Another red arrow points from the text 'Click Send!' to the 'Send' button.

HOW TO GET FREE SOFTWARE

DOWNLOADING SOFTWARE

Student software can be large, and it is generally best if it is installed at home. In some cases, it will take longer than a single lesson or lunch/recess break to install software.

This guide will direct you to the information students require to install free student software.

WHERE CAN I FIND THE INFORMATION

Go to Woonona High Schools Website.

<http://woonona-h.schools.nsw.edu.au>

Or search for Woonona High School in your web browser.

In the about our school section access the BYOD link.
