Excellence Innovation Success

YEAR 7 2024 ENRICHMENT CLASS APPLICATION

This class is available for students who are eligible to attend Woonona High School.

Woonona High School is a vibrant and innovative, proudly comprehensive high school that values strong community partnerships. Student success is driven by excellence in teaching and learning delivered by world class educators in a safe and supportive learning environment. Our students are confident, creative individuals who enrich our local and global community.

Woonona High School provides opportunities for gifted and talented students across all years. We are one of few schools in the Illawarra to uniquely offer enrichment classes from Year 7 through to Year 10. Our enrichment classes are challenging and cater for high achieving, academic students, providing intellectual stimulation by grouping students together and using specialised teaching methods.

Woonona High School will again have an enrichment class for Year 7 in 2024 for students who are highly motivated, conscientious, and display outstanding academic aptitude. The enrichment class is selected by the school after all applications are reviewed by a selection panel. The students in this class will be selected using a range of data provided in consultation with the primary school, which may include NAPLAN and PAT-R and information provided in the application. Furthermore, we will be communicating with the applicants' Year 6 teachers to fully appreciate their suitability for this program.

All correspondence is provided to the parent or carer named on the application form. Email confirmation to advise your application has been received will be sent by the closing date. If you do not receive confirmation by Friday 31 March please contact the school.

Important dates:

Applications for Enrichment Class due – *Friday 31 March 2023*

Outcomes Advice mailed – *12 May 2023*

Thank you for supporting Woonona High School's academic initiative.

Ms Caroline David
Principal
