DELIVERING EXCELLENCE, INNOVATION, OPPORTUNITY AND SUCCESS

## PRINCIPALS MESSAGE

### Woonona Learning Community

This week WHS hosted our second learning community workshop for 2016. This is a fantastic opportunity for our partner primary school leaders to participate in leadership workshops developed and delivered by our Junior SRC team. Congratulations to our Junior SRC team for delivering an engaging, energised and fun learning experience for our future leaders.

Students who have been offered placement in the 2016 enrichment class were engaged in a day of problem solving, higher order thinking and fun activities on Monday of this week. In each of their lessons the students were challenged, had the opportunity to work collaboratively with their peers and most importantly have lots of fun. Thank you to Mrs Matthews, Mrs Mellor, Mr Holliday and Ms Pryor for making the day an enjoyable one for our prospective students.

### Authentic Learning at WHS

Mr Wilson and Stage 5 Marine and Aquaculture Technology students have just returned from the Great Barrier Reef. Mr Locke and HSIE staff are well underway in their planning of the 2016 Central Australia Excursion. Students at WHS are extremely fortunate to have the opportunity to transfer their classroom learning insitu. Authentic real life learning experiences are powerful, meaningful and lasting.

Parents who would like more information on the 2016 Central Australia Excursion are encouraged to contact Mr Locke for details.

### Xmas Giving Tree

It is wonderful to see the growing number of donations beneath our Christmas Tree in the foyer. Each year, students at WHS are asked to consider those who need our support at this time of year and make a donation of either non perishable food stuff or toys. If every student in our school donated one item we would have 600 items beneath the tree! That would be an amazing achievement and one I would like to think we can achieve. The student body will again this year select the charity or charities who will be the recipients of our collective community generosity.

## ENRICHMENT CLASS DAY

Year 6 students who will be the enrichment class for 2016 took advantage of the wonderful learning on offer here at Woonona High School on Monday 9th November.

Students from Woonona Public, Woonona East and Russell Vale mixed in with students from Cedars Christian College, Mount Ousley Public School and Saint Columbkilles as well as a range of other local primary schools. The Year 6 students were nervous at first but Byron Roberts and Isaac Warburton of this year's 7M spoke to the children and reassured them that they would love the enrichment class experience.

Their first classroom experience was in English with Ms Matthews. They had to use their imagination about what it would be like to experience a changed environment, where the world was hot and humid. They had to use the five senses and complete creative writing activities from the point of view of a fish, swimming through the dangerous oceans. This was a cross-curricular activity with Geography, where students then decided what adaptations a fish would need to survive in this environment.

Ms Mellor developed this theme, teaching students about sustainability and how fish might adapt to a new environment. She had made wonderful home-made play dough which the students used to design their own fish. They had to use geographical language and justify why they had chosen certain adaptations for their fish. In groups, they then scripted and performed a short play which Ms Mellor filmed on her iPad. She will send their film on a USB back to their primary schools so students will have a record of their work.

Recess and lunch saw the students begin to break out of their shyness with the help of Mr Mucci and Ms Pryor who led some group games such as 'Stuck in the Mud.'

The last period of their day was in Mathematics with Mr Holliday. They learnt about Mathematical concepts of height, weight, distance and measurement. But instead of a text book, students used parachutes in a hands on learning activities where they threw the parachutes off the balcony outside the Mathematics classroom.

The students all went home at the end of the day with a broad smile on their face (and a fish made of play dough as a souvenir) We look forward to seeing more of this wonderful group of students in 2016.

*Delivering excellence, innovation, opportunity and student success*

## THE VICTOR CHANG AWARD

"On Friday the 6th November, Joshua Bate, Year 11, was presented with The Victor Chang Award for excellence in Science. The award was presented at a ceremony at Figtree High School attended by students, parents and teachers from schools across our region.

Mrs Ann Chang presented the award to the Year 11 Science student selected by the school for their outstanding achievements in the Science subjects. As part of the award, Joshua will be able to tour the world famous Victor Chang Cardiac Research Institute to observe first hand the scientific research being carried out and the possibilities for a career in research. The ceremony was also attended by his proud parents, Mr and Mrs Bate and his Physics teacher, Mr Brophy. It was a very inspiring day."

Mr Brophy (Head Teacher Science)

## WHITE RIBBON

**What is White Ribbon?**

**Why engage men?**

This fortnight students have taken part in a series of lessons and activities that reinforce the White Ribbon message—to stop violence against women and to educate people about the importance of positive, healthy and respectful relationships. In educating our students about their friendships with their friends at school and their interactions with teachers it is hoped that they will be able to maintain happy and healthy relationships away from school with their families, team mates and other friends.

In the classes students were introduced to the message of White Ribbon and why it is important, they then took part in activities such as listing the qualities of positive and negative friendships as well as establishing “rules and responsibilities” for positive relationships. These rules included recognising that each person is responsible for their actions, being able to listen to different ideas without “put downs” and that everyone has the right to speak. The lessons concluded with a “debrief” where students learnt where to access help if they find themselves in a negative situation.

The out of class activities included an Oztag White Ribbon competition where students versed teachers, a visit from Dragons players for a White Ribbon seminar for boys. There was also girls program which was run by the women’s health centre and a White Ribbon Assembly.

To further instil the message, Year 10 mentored Year 7 students through a 2 hour White Ribbon program. The Year 10 mentors took small Year 7 groups and guided them through the qualities of positive relationships and the signs of a negative relationship. They also discussed where and how to access support if it is necessary.

Further reports of the White Ribbon activities will be reported in the next newsletter.

Mr Rayner (Head Teacher Welfare)

## ELEVATE LEADERSHIP COURSE

On Thursday the 5<sup>th</sup> of November, three senior SRC executive students; Amelia McPherson, Taylah Carter and Jaime Carter, attended a leadership conference at Wollongong University called “Elevate”. This was the third day over the course of 2015 that our senior SRC students could attend. Throughout the day, these students attended workshops that related to the theme of the day “Inspire Change”. They competed in a scavenger hunt and various leadership activities. Over 200 students attended this day from schools around the state. These students were very privileged to have attended these past three conferences, and feel they have furthered their capabilities as leaders.

Report from Amelia McPherson.

*Delivering excellence, innovation, opportunity and student success*

## REMEMBRANCE DAY ASSEMBLY

On Wednesday 11 November, Woonona High School held its annual Remembrance Day Assembly. The assembly was hosted by Year 9 History students, Jade O'Brien, Jessica Aryton, Jeremy Eager and Cody Spicer.

During the assembly the student leaders guided the assembly through the traditional Remembrance Day service with The Ode, The Last Post, one minutes silence and The Rouse.

The students also explained the importance of Remembrance Day and how at 11 am on 11 November 1918 the guns of the Western Front fell silent after more than four years continuous warfare. The Allied armies had driven the German invaders back, having inflicted heavy defeats upon them over the preceding four months. In November the Germans called for an armistice (suspension of fighting) in order to secure a peace settlement. They accepted allied terms that amounted to unconditional surrender.

The 11th hour of the 11th day of the 11th month attained a special significance in the post-war years and is now recognised as Remembrance Day.

In Year 9 History, students study the course and character of Australia's involvement in World War I & II. In class the students had produced Remembrance Day posters which were displayed around the school and they also studied how Australia as a nation commemorates Remembrance Day.

*Delivering excellence, innovation, opportunity and student success*

## YEAR 7 GALA DAY

On Tuesday 10th November our Year 7 students were involved in the Northern Zone gala day. Our students had the opportunity to play against students from Corrimal High, Bulli High, Figtree High, Keira High, Wollongong High and Smiths Hill High schools. The students had a choice of playing in 6 different sports at 6 venues.

Congratulations to all students as all played with great sportsmanship. Special congratulations to our netball team, our boys soccer team and the boys Oztag team who were all champions in their sports. Ms Sim (Sports Organiser).

## OZTAG

I am very proud to say that Woonona High School's Year 7 girls and boys Oztag teams both played with sportsmanship and camaraderie in each game of the Gala Day. The girls team allowed Corrimal High School Players to join their team as they did not have enough players to field a side. Together that tackled the stiff competition to finish 3rd overall, and just miss out on a finals game. Thank you to Corrimal High School's, Mr Abbott, for coaching our girls on the day. The Boys were unlucky to finish second in their pool, with a very tight game against Keira High School, ending in a 3-2 loss which meant they had to play the top team (undefeated Figtree High School) in the semi finals. Our boys banded together, with the support from the girls on the side-line, to take down Figtree 5-0. They then had to face Keira High School again in the finals. Some amazing holes were punched in Keira's defensive line by Kyal Breeze and Jarryd Arnold to set up 3 quick, unanswered tries. Play makers, Corey Snelson and Cooper Bennett added numerous runs to the try line, whilst key 'taggers' Josh Crimston and Cooper Bennett made two try saving tags in the closing minutes of the game. The boys were able to hold on and claim victory over Keira High School 3-2 to be crowned Gala Day Champions.

Honourable mentions go to Josh Burton, who dislocated his thumb whilst scoring a screamer of a try, Corey Baird, for making massive metres in his first ever game of Oztag and the remainder of the team, who without them, we would not have made the finals. Mr Reynolds.

## SOCCKER

*Delivering excellence, innovation, opportunity and student success*

## COS LEADERSHIP FORUM

On Thursday 12 November, Woonona High School hosted student leaders from our Community of Schools. They came to WHS to take part in a series of workshops that aimed to improve their leadership skills.

Our SRC students ran workshops for the visiting student leaders and according to Deputy Principal Ms Watt they all did an excellent job making the activities for the day both fun and challenging.

The workshops and activities aimed to increase the students confidence by giving them the opportunity to mix with, talk to, and exchange ideas with a range of people from other schools. The activities also focussed on team building, leadership styles and decision making. The visiting students were also challenged by how they can best lead their primary school now and into the future.

The primary school students enjoyed the day and the activities. Many said they learnt much about respect and team leadership skills.

*Delivering excellence, innovation, opportunity and student success*

## YEAR 9 / 10 NIDA EXCURSION

Last Thursday students in Year 9/10 Drama travelled into the city and viewed NIDA - National Institute of Dramatic Arts students final works. The works ranged from costume design, set design, lighting, mask, puppetry and scriptwriting. The works were exquisite and detailed and seemingly jumped off the page.

Our Year 9/10 Drama students are currently undertaking their own design assignment and were able to see how to layout their own assignments and what details they could include.

Ms Amber King (English / Drama Teacher)

*Delivering excellence, innovation, opportunity and student success*

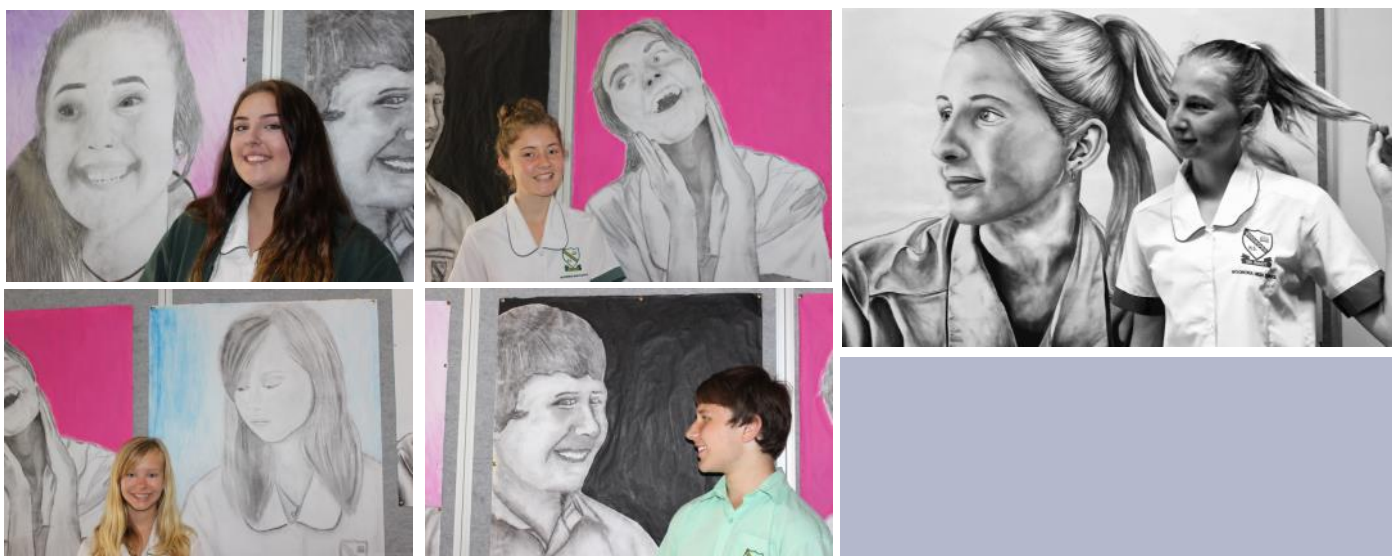

## YEAR 9 ART WORKS

Last semester Year 9 Visual Art classes produced some stunning self portraits using lead pencils, charcoal and watercolour. This practical exercise in shading and detailing was part of their formal course requirements.

The self portraits were very successful, and you can see below the likeness and detail in their artworks are amazing.

Ms Armstrong (Visual Art Teacher)

## END OF YEAR ACTIVITIES

In the last week of this term students will be involved in our end of year activities. Students will have a choice of many activities both in the school surrounds and outside. Some of the activities will have no cost involved but others will have a cost as students will travel to various outside venues. Staff are offering activities that will interest students and activities that students may not have had the opportunity to try previously. Some of the activities being offered are: Christmas craft, Christmas decorations, robotics, board games, snorkelling, ice skating, go karting, cable skiing, bush walking, beach activities, art gallery tours, film appreciation, a live musical in Sydney, bike riding, surf safaris, learn to surf, surfing competition and the skate park. A list of all available activities will be given to students and they will then choose an activity for each of the 3 days. More information will be given to the students in the next two weeks.

Ms Sim (Sports Organiser).

*Delivering excellence, innovation, opportunity and student success*

## MELBOURNE CUP DAY FUN

Woonona High School staff had a bit of fun and got into the spirit of Melbourne Cup Day with a staff morning tea. Hats were compulsory and the "Fashion on the Field" contest was fierce. Mr Wilson (Science Teacher) was 3rd place getter as he was the only male voted into the top 5 places. Ms Clare Matthews (Head Teacher English) was placed 2nd, as she brought her own horse and Ms Amy Peace was named 1st. Well done to Mr Hoole (Art Teacher) for Melbourne Cup Day organisation and to Mr Rayner (Head Teacher Welfare) and Ms Pam Cannings (Canteen Manager) for morning tea. The day was very well supported by staff; a testament to the high staff moral here at WHS.

## School students

Tap into

The smarter way for students to travel to and from school.

Visit [transportnsw.info/school-students](http://transportnsw.info/school-students) or call 131 500

## SCHOOL TRANSPORT SCHEME

The school has been notified by NSW Transport that the old "Bus Pass" has now been replaced by the "School Opal Card".

The School Opal Card gives eligible students free or discounted travel between home and school, using the bus or train.

Students who already have a travel pass do not need to apply for an Opal Card. It will be sent to school at the beginning of the school year in 2016.

### An application is needed if the student:

- Has not had a travel pass before
- Is moving from Year 6 to 7
- Is changing schools
- Is changing address

### To Apply

- Complete the application at **[transportnsw.info/school-students](http://transportnsw.info/school-students)**
- Print sign and date the completed application, then submit it to the school for endorsement.
- The school will send the endorsed application to Transport NSW. Once approved, the School Opal Card will be sent to the address provided on the application.

N.B A parent or guardian must apply for students 15yrs and under. Students 16 yrs and over must apply for themselves.

*Delivering excellence, innovation, opportunity and student success*

## WHS SRC TO SUPPORT NEPALESE AFTER QUAKES

On Monday 2 November ex Woonona High School staff employee Mrs Jean Thompson visited our school to talk to our SRC members about Corrimal Rotary Clubs fund raising efforts in Nepal and to ask our SRC members for support in this very important cause.

Jean has just returned from a trip to Nepal where she was part of a six member team who witnessed first hand the devastation that still remains after the horrific earthquakes which hit the country earlier this year. The team spent 11 days assessing the earth quake damage, visiting hospitals, clinics and orphanages and inspecting micro credit programs.

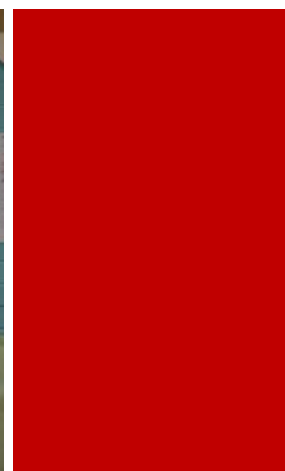

During their visit the team gave out clothing, soccer balls, cricket bats, school materials and food buckets. Jean said that they were especially moved by locals talking about the school children that sleep through their lessons due to lack of food and the program called "Food for Life" that the local Rotaractors have started whereby students receive a meal each day. Because of this program, learning and attendance at school has increased. Corrimal Rotary gave a very generous donation to this very worthy cause.

Jean also spoke about the 10 new homes that Corrimal Rotary have helped build in a remote Nepalese Village and the contributions to the micro credit loans that the club has made, with Nepalese woman receiving either a goat, pig, buffalo, chicken, sewing machine or stall in order to build a viable business and become self sufficient.

Jean is very passionate about the efforts being made in Nepal and so to is Ms Carmen Mete (Food Technology assistant) who just prior to the quakes had spent time in Nepal. Earlier this year Carmen led a clothing and blanket appeal here at WHS for the Nepalese victims and is very enthusiastic about our school and the SRC supporting Corrimal Rotary in its efforts.

Carmen and the SRC will be working hard to come up with lots of unique and fun ways to raise money for this very important cause with one of the first being "Change for Change" where staff and students have been asked to donate their loose change from purchases at the canteen. Signs and donation tins have been placed in the canteen.

The newsletter will be reporting on all fund raising activities that the SRC and Mrs Mete are planning for this important cause.

## CUP CAKE FUNDRAISER

The first of our SRC fundraising efforts in support of Nepal took place this week. Beautiful cup cakes and delicious cream and pastry creations were on sale to students and staff.

The event was very well supported and the money raised will be passed on to Corrimal Rotary along with monies from our other fundraising activities.

*Delivering excellence, innovation, opportunity and student success*

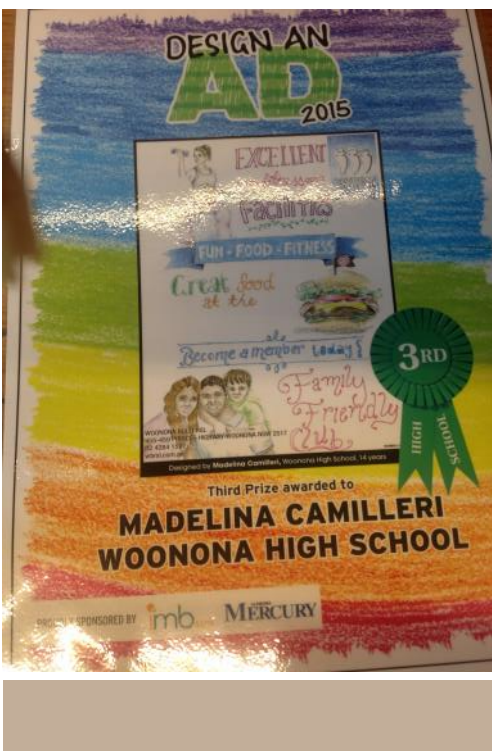

## MERCURY DESIGN AN AD COMPETITION

On Friday 13 November, Year 9 Woonona High School student Madelina Camilleri was presented with \$100 in prize money for her 3rd place entry in the Illawarra Mercury “Design an Ad” competition. The awards ceremony was held at the Wollongong branch of the IMB.

In the “Design an Ad” competition, students were given a brief and had to design an ad for the Woonona Bulli RSL Club.

Congratulations Madelina on your 3rd place entry and a big thankyou to Mrs Marnie Whiddon (English Teacher) who organised and inspired the students to submit their entries.

It is interesting to note that Madelina’s sister, Jorgia, won the competition last year (there is obviously some artistic talent in the family). Well done!

2015 marks the very last time that the Schools Spectacular will be held in Qantas Credit Union Arena, Sydney’s entertainment centre. After 32 years, what began as an acoustic test event for the newly built Entertainment Centre has now become a highlight on the Sydney entertainment calendar, shining a spotlight on the talents of NSW public school students. This year’s Schools Spectacular will be one of the last events staged at this iconic venue

The 2015 theme, THIS IS OUR WORLD, captures the dreams and hopes of young people through the medium of music and dance. As the leaders of tomorrow, our students will explore their place in the world, experience diverse cultures and excite audiences with outstanding performances.

This years performances are Friday 27 November and Saturday 28 November and tickets are available from Ticketec.

## SCHOOLS SPECTACULAR— THIS IS OUR WORLD

*Delivering excellence, innovation, opportunity and student success*

## RYDA

RYDA is a series of practical and powerful workshops that aim to change the way young people think about road safety. As part of an interactive one-day experience, students experience braking at different speeds, devise travel strategies that will work for them in the real world and get tips from road safety

experts on how to protect themselves, their friends and family. Perhaps the most impactful moments come from the personal stories of loss and survival.

In one session, students watch a powerful and emotional video on the life and tragic death of an 18 year old provisional driver and her best friend. And in another, they sit with a crash survivor and hear first-hand how one poor choice can change a life forever.

On Monday 2 November, our Year 11 students attended the RYDA program which was held at the Croome Road, Albion Park complex. This was the second excursion in the mandatory Cross Roads program for Year 11 students, the first one being the bStreet Smart excursion on 25 August. The two programs aim to change the way young people think about road safety and the decisions they make.

Accompanied by Mr Hancock (Year Adviser), Mr Locke, Mrs McCarthy and Mr Rowles, the students travelled by bus to the complex and took part in both the seminars and hands on workshops provided on the day.

All students who attended agreed that the day was relevant to them and very worthwhile attending.

Mr Shane Rayner  
Head Teacher  
Welfare

# Welfare Report

## STAR/Accelerated Reading Program

Woonona High is committed to improving literacy and has recently invested in the Accelerated Reader program. This computer program helps teachers and librarians manage and monitor student's independent reading practice. The student picks a book at their correct reading level and reads it at his/her own pace. When finished they take a short quiz on the computer. Accelerated Reader™ gives children, teachers and librarians feedback based on the quiz results.

Each fortnight students have the ability to earn points by reading well and scoring more than 85% in their quizzes. Students with the highest points in each class are awarded certificates. The winners this fortnight are: Jasmine Clayton 7M, Chelsea Quay 7C, Sarah Herdero 7C, Dane Deece 7I, Jordan Starling 7U, Jade Harle 7C, Kaitlin Joy 7M.

## BOOK CLUB

This fortnight our guest speaker was Mr Hancock from our Mathematics Department. He spoke about his favourite book, Jurassic Park by Michael Crichton and how it influenced his decision to choose a career in Mathematics. Jurassic Park contains a lot of information on genetic sequencing and how many things in nature can be represented mathematically. This heightened his interest in mathematics and hence his career as a Mathematics teacher.

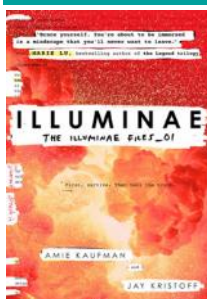

I spoke about the latest book by Sophie Kinsella, Finding Audrey. An anxiety disorder disrupts fourteen-year-old Audrey's daily life. She has been making slow but steady progress with Dr. Sarah, but when Audrey meets Linus, her brother's gaming teammate, she is energized. She connects with him. Audrey can talk through her fears with Linus in a way she's never been able to do with anyone before. As their friendship deepens and her recovery gains momentum, a sweet romantic connection develops, one that helps not just Audrey but also her entire family. A wonderful read for anyone who has dealt with mental illness.

## MANGA CLUB

This fortnight in Manga Club, Tristan Corrick spoke about the manga and also anime Shagukan no Shana. The world has become dangerous because of the mysterious beings from a parallel universe that thrive on the life energy of humans. These aliens only leave behind scant remainders of souls called "Torches". In an endeavour to put an end to these warriors called the Flame Hazes seek out these beings and destroy them.

## NEW BOOKS

The book featured left, has been purchased recently.

ILLUMINAE by Marie Lu is the hottest book for teenagers at the moment. This book is different to your average. It has been carefully constructed using a collection of emails, IM chats, video footage, classified documents, diary entries, pictures and poetry. It is creative story telling at its best. A high octane thriller sure to capture any reader.

Mrs Patricia Roddis  
Teacher Librarian

An initiative of Wollongong, Shellharbour and Kiama Councils. Supported by Lake Illawarra and Bulli PCYC, NSW Police, Illawarra Road Safety Group and the RMS.

To support learner drivers to become safer drivers on our roads, Wollongong City council is offering two free programs designed for learner drivers and their parents / supervisors.

Learn safe workshop for supervisors of learner drivers.

Supervisors of learner drivers are encouraged to attend this workshop to increase their knowledge and confidence in helping their learner become a safer driver. Learner drivers are also welcome.

Participants will gain practical advise on :

- Supervising a learner driver
- The Learner driver Log Book
- L&P Plate licence regulations
- How to encourage safe driving behaviours
- A light supper will be provided

When: Tuesday 1 December 2015, 6pm—8pm

Where: Wollongong City Council, 41 Burelli Street, Wollongong. Level 9 Function Room

Cost: FREE (Including a light supper)

This workshop will particularly benefit parents and supervisors of learners before they get their L's or in the early stages of learning. If your child or grandchild are planning on going for their L's before term 1 2016, register for this workshop.

*Delivering excellence, innovation, opportunity and student success*

## 25 November 2015

White Ribbon Day and the International Day for the Elimination of Violence Against Women

7am - 9am

The walk starts at Andrew Lysaght Park (east of the WIN Entertainment Centre) and finishes at Stuart Park. Following the walk we'll hear from DV survivor Shelly Walsh and Dr Michael Flood, an internationally respected expert on violence prevention.

More information and the walk registration form is at
