HSC examinations

HSC examinations for 2016 for Woonona High School students finished on Friday, 4th November. Throughout the month-long exam period all students presented themselves in a professional and focused manner, with examiners specifically commenting on their positive attitude, politeness and focus during an obviously stressful period. As a school we are tremendously proud of our HSC students and the effort and application they have applied to their studies throughout the entire HSC course. We know that their dedication to their studies and the ongoing support offered by school and their families has ensured they receive results that are truly reflective of their abilities and we wish them every success in their individual journeys to post-school destinations.

School Renovations

Renovation of the Administration building and front of the school are continuing, but are nearing completion. Understandably, staff and students are excited to see the finished product, and know the easier access and impressive entrance to the school will help add another dimension to our already amazing school. As construction is still ongoing, I would like to once again remind students to ensure they enter and exit the school grounds using the appropriate entry and exit points and stay completely away from the construction site.

University of Wollongong Pre-Service Teachers

Friday, 4th November marks the end of our UOW Year 1 Master of Teaching Pre-Service Teacher (PST) professional experience placements. Seven PST have finished their 3-week placement at WHS and have been working diligently and effectively in English, Science, HSIE, Music and Visual Arts faculties. This is the third placement for most PST at WHS this year, and our students have benefited from their enthusiasm, dedication and delivery of quality lessons throughout 2016. As Principal, it is fantastic to see the growth and development of future educators, particularly under the guidance of current staff who have taken on mentoring roles and developed important leadership skills themselves throughout the process. Four additional PST remain at our school, residing in the Mathematics, PDHPE and TAS faculties. They are also currently being effectively mentored and will finalise their placements in the coming weeks.

Year 5 Taster Day

Last Monday the 31st of October we welcomed 120 excited Year 5 primary students from our feeder schools to Woonona High School to participate in our Year 5 Taster Day. Students streamed into the COLA from Woonona, Russell Vale and Woonona East Public Schools, all ready to experience their first taste of high school life as part of our CoS Transition program.

After a welcome from our principal, Ms Wall, students were placed into groups that deliberately mixed school and friendship groups in order to encourage mingling. They met their group leaders (an impressive job done yet again by the ever-reliable 7Z ambassadors – thank you!) and were led off to sample some of the lessons on offer here at Woonona High.

Lessons ranged from Science with Mr Wilson, in which students had up-close encounters with fleas and lice through the lens of a microscope (“Disgusting but amazing” was a common refrain) to English, where Ms Matthews dressed for the Halloween of it all! Mr Landy encouraged aspiring gymnasts to show off their best tumbles on the mats, while some of the grooviest moves were on display in the dance studio with Ms Steele. Measurements galore were made in Maths with Mr Holliday, clay artefacts sporting hieroglyphics were designed under the watchful eye of Mr Mucci and some fabulous screen printing came out of the art rooms with Ms Bramley.

Fantastic comments from the students in our Exit surveys at the end of the day confirmed the enthusiastic spirit of the day – and a special “Happy Birthday” to the Year 5 student who left us with this comment: “I had a great day on my birthday”!

Thank you to the teachers and pre-service teachers who so energetically ran activities on the day, and to Pam and her terrific canteen helpers who always ensure a ready supply of tasty treats for our primary school visitors. Lastly, thank you to our Year 5 visitors for sharing your boundless energy with us. We look forward to welcoming you next year into our Year 6 CoS Transition Days.

Dr Sarah McKenzie

Excellence Innovation Success

Year 5 Taster Day

Excellence Innovation Success

At assembly this week our open girls Basketball team were congratulated and presented with medals for their success in both the 2015 and 2016 Northern Schools Basketball competition.

The girls representing Woonona High School in the 2015 team were Cara Karkoe-Read, Kendall Linsley, Courtney Phillips, Akeylah Colvin, Tara Scott, Rebecca Pockock, Faith Apps, Erin Flanagan O'Brien, Sarah Shepherd and Charlie-Pearl Cram. This years team included Cara Karkoe-Read, Kendall Linsley, Courtney Phillips, Gemma Davis, Faith Apps, Erin Flanagan O'Brien, Camryn-Lee Wiegand, Sarah Shepherd, Molly Percival and Charlie-Pearl Cram. The team was coached by Ms Barbara Coote. Congratulations to all.

Student Monitoring

Parents are reminded that last week was student monitoring week and that this week monitoring results will be emailed to parents. Please take time to have a look at your child's monitoring results as they are an important indication of how your child is engaging with their learning at high school. If you have any concerns please contact the school on 42841513.

Movember

This November staff and students at Woonona High School will once again be supporting Movember by growing moustaches in a bid to raise awareness and funds for men's health. Stay tuned on facebook and in our newsletters for results of our moustache growing efforts.

Mr Rayner

Excellence Innovation Success

Year 7 Zoo Excursion

On Friday 21 October all Year 7 Science students were invited to attend an excursion to Taronga Zoo as part of the "classification of living things" topic they are currently completing. We have been very lucky with weather for the last 5 years and once again we had bright sunshine with a nice light breeze - perfect conditions for animal watching!

As they travelled around the zoo students completed a worksheet making observations on the range of body coverings, numbers of legs and thermoregulation of different organisms. It was definitely a productive couple of hours! Crowd favourites included the chimpanzees, the reptile room and the seals which were even more playful than usual.

The Science Faculty would like to commend all excursion attendees for their outstanding behaviour. They represented Woonona High School with pride and showed great patience on the seemingly never ending bus rides!
Mr Wilson (Acting Head Teacher Science)

Excellence Innovation Success

Kakoda Trail

After engineering delays with our plane and an unscheduled stopover in Brisbane due to a medical emergency, our group of 32 unacquainted young people arrived safely at Papua New Guinea, 5 hours later than scheduled. The extreme humidity instantly hit us as we left the nicely air conditioned airport.

The drive through Port Moresby to Sogeri Lodge, our last stay in a made bed, showed the great change in culture of Port Moresby in comparison to our own home towns. There were people walking through the streets, little stalls in small shelters made out of branches or laid out on the ground, and piles of rubbish left to burn on the sidewalk. It was a much different place to where we had come from.

The next day, after a buffet breakfast and a morning briefing, we set off by van to Owen's Corner where we began our 10-day long trek along the Kokoda Trail. It wasn't until twenty minutes into the trek that I took my first fall into our first river crossing; the first of many. It was a short trek that day (3 hours), but it gave us a glimpse of what was to come and allowed us to further acclimatise. The first storm also struck which became a daily occurrence, almost routinely after lunch every day. We later settled into our one man tents, something we became very accustomed to.

We woke the same way every morning with a loud "cooe" and Reveille of Charlie's favourite old Aussie tunes. Charlie, our 72-year-old trek leader, ex Vietnam veteran, former parliamentarian, master storyteller and passionate war historian, guided and informed us of the importance and relevance of the Kokoda Trail. He had wisdom like no other and was aware of every little detail along the trail. He holds a connection with the local people that no other outsider has ever established.

The next ten days were a challenge, physically and mentally; unlike anything I have ever experienced before. However, the local people, the views, the lessons learnt and the good company made it an amazing journey. In total we trekked 148.8km, walking 7125m uphill and 6960m downhill. The happiness of the village people was infectious, despite having very little compared to us. It was an experience I am extremely grateful for and would highly recommend to those up for the challenge. I would like to thank Woonona High School, Mr Hoole, Woonona Bulli RSL and the Kokoda Youth Leadership Challenge for making this incredible opportunity possible.

Report from Jay Archer

Excellence Innovation Success

Jay's TV Interview

On Tuesday 1 November, the WIN news team interviewed senior WHS student Jay Archer about his recent trek of the Kokoda Trail. Jay and Mr Michael Brennan (President of Woonona Bulli RSL) spoke to the news team about the importance of the trek in realising the great sacrifices that our soldiers made and the hardships they faced in the 1942 battle against Japan in Papua New Guinea.

Jay was selected to undertake the Kokoda trail as part of the 2016 Youth Leadership Challenge that was supported by the Woonona Bulli RSL Club, and in September Jay swapped his school uniform for camouflage and a fifteen kilogram survival kit to take part in the trek.

Go to WIN TV's web site to view the interview which aired on television last night or go to -

<https://www.facebook.com/WINNewsIllawarra/videos/1501571766526228/>

Jay also brought along a very impressive memento of his adventure; a beautifully hand carved wooden pole commemorating the trek for 2016. The local people in one of the villages he visited carved it for him.

Excellence Innovation Success

Year 10 Careers Interview Evening

Last week Year 10 students were invited to take part in a Careers Interview evening. Professionals from all walks of life were invited to Woonona High School to interview students who wished to practice their interview skills and learn more about a profession that interests them. Forty three Year 10 students registered to sit for two informal interviews.

Carpentry, Electrical, Beauty, Hairdressing, Physiotherapy, Ambulance/ Paramedic, Fire fighter, Nursing, Social Work, Veterinary Science, Accounting, Police force, Defence ADF, Teacher, Lawyer, Mechanic, Engineer, Journalism, IT, Hospitality were amongst the professions represented on the evening. Mr Chamberlain would like to sincerely thank everyone who joined us for the evening and for helping our students with their careers preparation.

Mr Chamberlain (Careers Adviser)

Year 9 Silver and Bronze Awards

This week in year group meetings, Bronze and Silver merit awards were presented to Year 9 students who had reached the merit system level.

At Woonona High School, we value the contributions that our students make to the school and we wish to recognise and reward deserving students. The Merit Award System works on a point's structure where students accumulate points across the school year. Students achieve 1 point for:

Every "A" received on student monitoring

Every 10 stamps they receive (stamps are given for positive contributions in class and in extra curricular activities).

An invitation to the rewards excursion and canteen vouchers for silver award recipients give lots of motivation for students to achieve and contribute to their education.

Excellence Innovation Success

HSC Visual Art Major Works

Now that HSC Visual Art marking has been completed we can share with you photos of some of the fantastic major works that our HSC Visual Arts students produced this year under the guidance of Mr Hoole.

The works were showcased to family, friends and teachers in September at our HSC Showcase but as the major works had not yet been marked we were unable to publish photos of the art.

As you can see from the photos there is some amazing talent amongst our students and we look forward to some great HSC successes.

Excellence Innovation Success

SRC "Spider" Day

On Friday 4 November the SRC held a "Spider" Day as part of their fund raising activities.

It was a beautifully warm day and the SRC did a roaring trade selling ice cream "spiders" and spooky cakes. Our students definitely enjoyed the cooling treats and tasty cakes!

The funds raised are to be donated to Bathai our sponsor child.

Excellence Innovation Success

SCARY STORIES WEEK

This week the library was festooned in spider webs and filled with ghoulish creatures from our most scary nightmares as we celebrated Scary Stories week. Students were spooked by bats, cackling witches and numerous skeletons every time they entered the library. Displays of our most blood curdling books were also on hand, to entice our readers. We also held a Scary Story competition, where students had to write a short spooky story. Winners will be announced next week.

The Importance of Reading

The single most important predictor of academic success is the amount of time students spent reading, and this is a more accurate indicator than economic or social status. Time spent reading was highly correlated to success in math and science. The keys to success lie in teaching students how to read and then have them read as much as they can.

Program for International Student Assessment, 2003

The long summer holidays which are just around the corner offers a great opportunity for your children to read. Borrowing a book from the school library is now so easy with eBooks.

Excellence Innovation Success

Book Club

This fortnight our guest speaker was Ms Johnstone from our English Department. Ms Johnstone is a keen Celtic history buff and consequently loves to read fantasy stories set in Celtic times. Her favourite authors include Susan Cooper and Marion Zimmer Bradley.

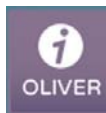

I spoke about the new book "Tales of the Peculiar" by Ransom Riggs. This book is a companion novel to his other story Miss Peregrine's Home for Peculiar Children. Riggs invites the reader to share his secrets of peculiar history, with a collection of original stories, as collected and annotated by Millard Nulling's, ward of Miss Peregrine and scholar of all things peculiar. A very interesting and quirky read.

Jasmine Wilson from Year 7 spoke about the Lorien Legacies series by Pittacus Lore. The first in the series is 'I am Number Four'. 'I Am Number Four' follows the story of John Smith, a 15-year-old from the planet Lorien, and Henri, his Cêpan (protector), as they run from the Mogadorians, another alien race that is hunting John and eight other teenage Lorics residing on planet Earth.

HOW TO BORROW AN eBook?

Students are to log in to their Student Portal Page.

Then go to OLIVER icon . This will bring up the library's catalogue front page.

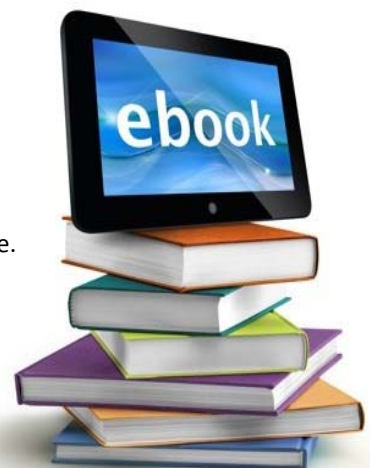

Scroll to the eBook section and find the **Wheelers e-platform** link.

Log in using their special DET Username and the following password:

CAPA Camp

Students interested in performing in the Annual Variety Night (music, dance, drama, circus and art) need to have handed in their EOI notes for CAPA Camp. A final decision will be made once numbers are finalised. Ms Sharp will call a meeting in Week 5 to discuss with students the outcome and expectations.

Sydney Dance Company workshop

This term we are lucky enough to have a company member from Sydney Dance Company visit Woonona High School to host a Contemporary Dance workshop. We are thrilled at this opportunity and look forward to working with them! Students can collect permission notes from Mrs Steele in the PDHPE staff room. Places are limited so it will be a first in - first served basis with payment and permission note returned.

When : Monday 28th November, 9:00am - 11:00am

Where : Woonona High School Hall

Cost : \$15.00/student

Variety Night

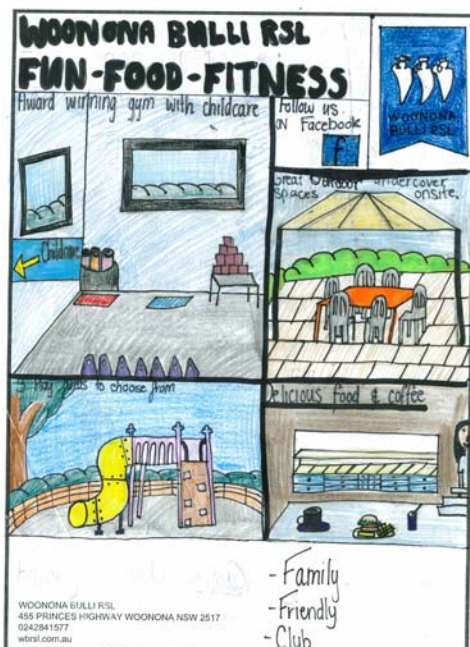

Lock in the date.... MONDAY 12th DECEMBER... more news to come!

Variety Night is the Annual Woonona High School Performing Arts Showcase and encapsulates the collaborative efforts of all CAPA teachers and students within our school. Students from Year 7 - 12 are encouraged to perform in items such as vocal, dance, drama and circus, as well as art displays. We look forward to announcing the theme this year and witnessing what talent the 2016 showcase will reveal!

Last year "Woo Town Funk" was the theme for Variety Night. The concert is always a highlight on the calendar and the 2015 performance was no exception, with over 50 students from Year 7-12 involved in a variety of entertaining music, dance and drama items.

Excellence Innovation Success

Illawarra Mercury “Design an Ad”

Once again English students have entered this years’ Design An Ad Competition with The Illawarra Mercury. Winners will be announced in the coming weeks. First prize is \$700!

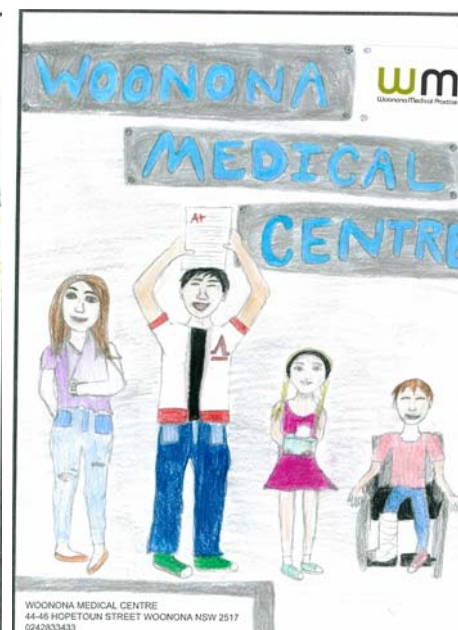

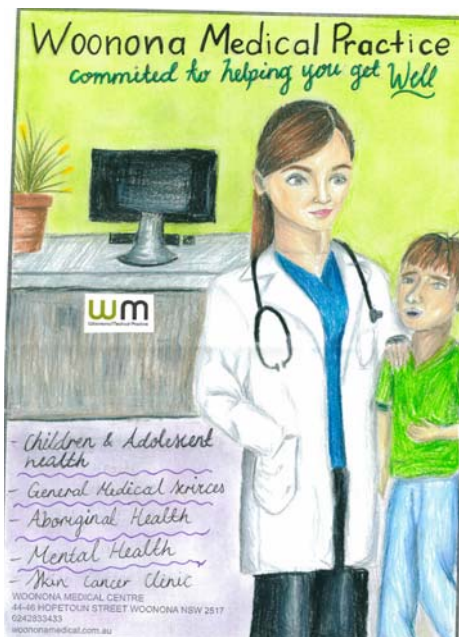

Students had to design an ad for one of the following three businesses - Woonona Bulli RSL, Woonona Medical Centre, Table 426.

Last year Woonona High School, Year 9 student Madelina Camilleri was the third place getter in the competition with her entry of an ad for Woonona Bulli RSL club. In the previous year Madelina’s sister Jorgia won the overall competition. Both students have entered this years competition.

Good luck to all students who have entered this years competition.

Mrs Whiddon

(English Teacher)

Why wait to be a better you?

Now is the time to kick-start your future with one of TAFE NSW Illawarra's Fee FREE Short Courses which you can enrol in now!

Our short courses are a great way to build your skills, explore a new career path or meet the changing legislative requirements of your job.

Many of our short courses also count towards full qualifications - so if you're ready to take your training to a new level, you'll be ahead of the game.

This Fee-FREE training is subsidised by the NSW Government.

ARE YOU ELIGIBLE FOR A FEE-FREE SHORT COURSE?

If you meet the following criteria, you may be eligible to undertake one of our Fee FREE Short Courses:

- are aged 15 years or older
- have left school
- live or work in New South Wales
- are an Australian citizen, permanent resident, humanitarian visa holder or New Zealand citizen.

This opportunity is only available for training which is completed by Saturday 31 December 2016.

WHAT CAN YOU STUDY?

Choose from a variety of courses across our 14 locations and enrol now!

-  Café Skills
-  First Aid
-  Food Safety Supervisor*
-  Hairdressing Skills
-  Make-up
-  Responsible Conduct of Gambling (RCG)*
-  Responsible Service of Alcohol (RSA)*

+ MORE TO COME!

www.tafeillawarra.edu.au/short-courses

For more information on each short course, visit www.tafeillawarra.edu.au/short-courses.
For more information on Smart and Skilled, the NSW Skills List and NSW Government Subsidised courses, visit www.smartandskilled.gov.au.
Please note that minimum enrolment numbers must be achieved to enable the course to proceed as scheduled.
*Fee is payable for licenced courses.
