**Excellence Innovation Success**

# Principal's Report

As the end of the school year approaches I wish to thank all the members of the school community who have supported Woonona High School in so many ways. It has been a highly productive and successful year. Schools get measured in many ways. Although I believe that the hallmark of a successful school is in its ability to produce happy and well adjusted lifelong learners, I am immensely proud of the achievements of this year's Year 12 students who have attained some wonderful results, leading to Woonona High School being the highest ranked non-selective high school in the region. This could not have happened without the dedication and commitment of our very hard working staff who have personalised their teaching to ensure every child had the opportunity for success.

A number of staff will be leaving us this year and I pay tribute to the immense contribution made by Mr Rod Landy over the past 23 years in PDHPE, Science and Sport, particularly Surfing. Mr Landy's positive, students centred approach will be missed as he retires from the Teaching Service.

Mrs Sarah Martin has been a Support Unit teacher this year but will be taking up a promotions position as the Assistant Principal Learning and Support (APLaS) at Lomandra School in Campbelltown. We will miss her expertise, particularly around teaching Literacy, but know that her new role will enable her expertise to be used to the benefit of a great number of children in her area.

Dr Sarah McKenzie has been relieving as Head Teacher Science for the past two years but has been successful in a Merit Selection to be the Head Teacher Science at Keira High School from the beginning of 2019. Dr McKenzie has brought about many innovative programs in Science and STEM at the Woonona High School and has raised the profile of the subject, including having Ryan Park come into the STEM class to appraise their projects. Our loss is Keira's gain, and we wish Dr McKenzie the best there.

Mr Michael de Main will be leaving for a secondment position at Five Islands Secondary College for 2019 and Ms Jade Knell will be taking Maternity Leave. I wish them both the best for the year.

This Thursday and Friday I will be in Tokyo signing a Sister School Agreement between Woonona High School and Kitazono High School. This will allow for future exchange visits to be made between both of our schools. A Study Tour to Japan has been planned for 2021. (it was going to be in 2020 but the Tokyo Olympics have made that impractical) but also two groups will be visiting us next year (in March and August) giving students access to wonderful opportunities to become conversant with other cultures through the activities and interactions that will be occurring at school.

May I wish you and your families a wonderfully refreshing break over the Christmas period, spending time with the people that mean the most to you.

**The Woonona High School Uniform Shop will be open in  
January for Back to School 2019:**

**January 23rd: 8am—12:00**

**January 24th: 8am—12:00**

**January 29th: 7am—11:00am**

**Online orders can be made at [www.theschoollocker.com.au](http://www.theschoollocker.com.au)**

# Presentation Night

On Thursday 5 December Woonona High School held its annual Presentation Night to celebrate the achievements of our students throughout 2018.

It was a fitting celebration with many of our students receiving academic, sporting, community and leadership awards for their success in 2018, congratulations to all students.

Some of our major academic award recipients were:

## Year 11

### Outstanding Achievement

Phoebe Austin and Dux of Year 11

### Excellent Achievement

Lachlan Cosier  
Indah De Rome  
Ella Dunn  
Owen Thomas  
Zara Sharman

## Year 10

### Outstanding Achievement

Arun Wanstall and Dux of Year 10

### Excellent Achievement

Harrison Dabin  
Thomas Holliday

## Year 9

### Outstanding Achievement

Jaida Way and Dux of Year 9  
Emma Guerrieri-Cortesi

### Excellent Achievement

Kiarra Ali  
Genevieve Beck  
Grace Ward

## Year 8

### Outstanding Achievement

Emma Cleaves and Dux of Year 8

### Excellent Achievement

Bailey Leadbitter  
Nikki Taylor

## Year 7

### Outstanding Achievement

Georgie Arnold and Dux of Year 7  
Oneli Ruberu

# Presentation Night

## Other major awards included:

The A.J Jenkins Award and the Caltex Best All-Rounder Medal:

PHOEBE AUSTIN

The G.M. Doyle Award: BRIDIE NICHOLLS

The Member for Cunningham Award: ANGUS SMART

CAITLIN TUCKER

HARRISON DABIN

Sportswoman of the Year: RUBY SARGENT-WILSON

Combined HS Blues Award: RUBY SARGENT-WILSON (Australian Football)

South Coast Blues Award: RUBY SARGENT-WILSON (All Round Effort)

Sportsman of the Year: ANGUS WADDELL

Premiers Sporting Medal: JADE VAN DUIN

South Coast Blues Awards: CHELSEA JONES (Swimming)

ZARA SHARMAN (Swimming)

Dragons Medal: COREY SNELSON

Volunteering and School Service Awards, Principal's Awards and the Woonona High School Medal were also presented on the night.

# Presentation Night

## The Woonona Community of Schools Awards:

Russell Vale Public School: TRAVIS LEE

Woonona Public School: IMOGEN JAMES

Woonona East Public School: LEWIS SARGENT-WILSON

As usual, the audience at our Presentation Night ceremony were treated to some fantastic entertainment from our very talented students.

Year 11 student and 2019 School Captain, Phoebe Austin performed "Evening", there was an energetic Aerial and Music performance entitled "Radioactive" performed by Carla Baker and Bridie Nicholls from Year 10, Tyler Wade (Year 8), Ethan W Johnson (Year 11) and aerialist Lola Thompson. Year 7 students Ruby Martin and Koda Way also entertained with their performance of "Count On Me". Thank you to these students for their efforts.

# 7Y Clean Up

As part of the Landscapes and Landforms unit, 7Y discussed threats to the natural environment. Students decided pollution was a big issue and wanted to take some small actions to combat a big issue.

Classroom teacher Miss Walker captured the students on video making a fantastic effort to clean up our school and promoting awareness of pollution and our waterways. If you get a chance please visit our Facebook page and take a look at the video. It is fantastic to see our students so passionate about their mission and to share their thoughts on the environment and pollution. Well done 7Y!

# CAPA Camp

Our annual CAPA Camp took place on Monday 26 - Wednesday 28 November at Waterslea Conference Centre on the Shoalhaven River. A jam packed event with scheduled workshop and rehearsal time throughout each day where students learnt up to 5 items including an mass Acapella piece, opening and finale and mass ensemble items for the upcoming Variety Night. This years' theme is WELCOME TO THE JUNGLE and we are all very excited to bring some classic numbers to life. With circus, dance, drama, vocals, music and visual art projects, students had the opportunity to trial new skills and enhance their advanced skills within these areas.

Mrs Steele - HT CAPA (relieving)

This was our first year ever experiencing CAPA camp and we really enjoyed it. We were provided with multiple opportunities to take part in everything offered, as well as hanging out with our friends and having fun. We had great food, great accommodation and a great view. During our jam time, everyone was able to work on small group items or take part in new creative skills such as Circus, Mask-making, Music, Dance, Visual Arts, Photography and Vocals. It was a very enjoyable time for all of the students. - Piper M, Tija C and Charli D (Year 7 CAPA)

# Orientation Day

On Tuesday 4 December, Woonona High School held Orientation Day for our Year 7, 2019 students. Firstly students attended assembly where they were assigned their classes and Peer Support Leaders for the day. Next off was a guided tour of the school with their Peer Support Leaders. Students then enjoyed classes in Mathematics, English, History, Geography, Visual Art, Music, TAS and Cooking.

Orientation Day is the culmination of our intensive CoS transition program that runs throughout the year for Year 6 students starting high school the following year. These students have already visited WHS on other occasions to take part in organised activities and classes that allow them to become familiar with our school and their teachers and peers before they start in Year 7.

# Orientation Day

The last activity for the day for our new students, was to take part in PE and Peer Support activities in the Hall which included making a costume out of newspaper starting with the letter "G" (for Mr Gilbert, their 2019 Year adviser). Students had great fun and there were some amazing creations!

From their beaming smiles all throughout the day it appears the students enjoyed the day and are happy and confident about starting here at WHS next year!

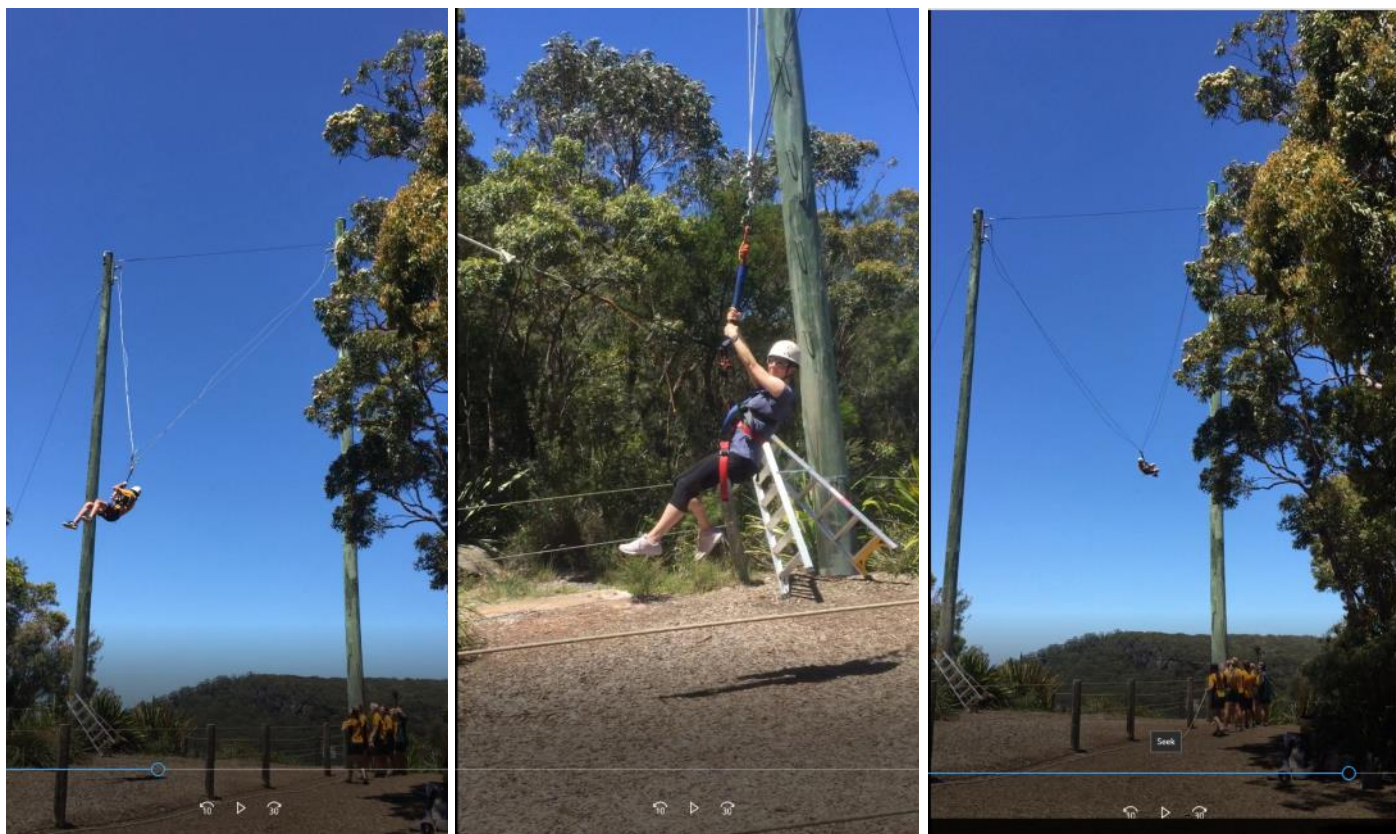

## International Day

On Wednesday 5 December, Year 10 held "International Day". This was an English initiative in partnership with the HSIE Department.

As part of their PBL (Project Based Learning) students had to choose a country and then conduct research into the social, economic and cultural aspects of the nation. Students were then asked to design an information booth that would capture all aspects of the country. Students went all out with some great national costumes, tempting food and informative booths. At lunch staff and students from other years were lucky enough to be able to sample various cuisines and learn about various countries. Well done Year 10!

## Year 9 Peer Support

Last week, Year 9 Peer Support Leaders spent the day at Stanwell Tops Conference Centre and Outdoor Camp, where they took part in survivor activities and group challenges. The goal was to push out of their comfort zones, further develop their leadership skills in a range of contexts and improve their communication skills with their peers in the lead up to meeting their Year 7 2019 peer support buddies. Not only was the day a great success, students had the opportunity to go on the GIANT SWING where they were lifted over 18m above ground level and swung out over the cliff edge. A scary, but stunning view of the ocean and tree tops!

Thank you to Ms Cohen, Mrs Steele and Mr Gilbert who assisted on the day.

# Year 10 Peer Support Stanwell Tops

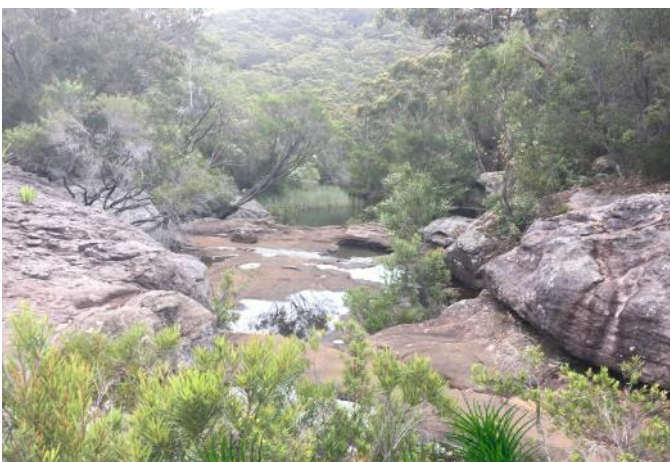

On Monday and Tuesday 10th and 11th December, Year 10 students took part in the annual Leadership Hike to Stanwell Tops.

The group caught the train to Heathcote before taking the Karloo walking track to Karloo pools, which is a popular swimming and picnic spot. The track offers fantastic views of the surrounding bushland and rock outcrops.

From here the group followed the Uloola track to Kingfisher pools where they camped overnight. The Uloola walking track is a long but picturesque walk through the waterfalls, wildflowers and sandstone formations of Royal National Park. After their overnight stay the group continued on their hike looping back to Heathcote, all in all completing an approximately 22km hike.

Mr Mucci (accompanying teacher) said that the hike was tough and strenuous and that he was proud of how the students took on the challenge. The hike is an exercise in leadership and team bonding and is an integral part of the Peer Support program at Woonona High School.

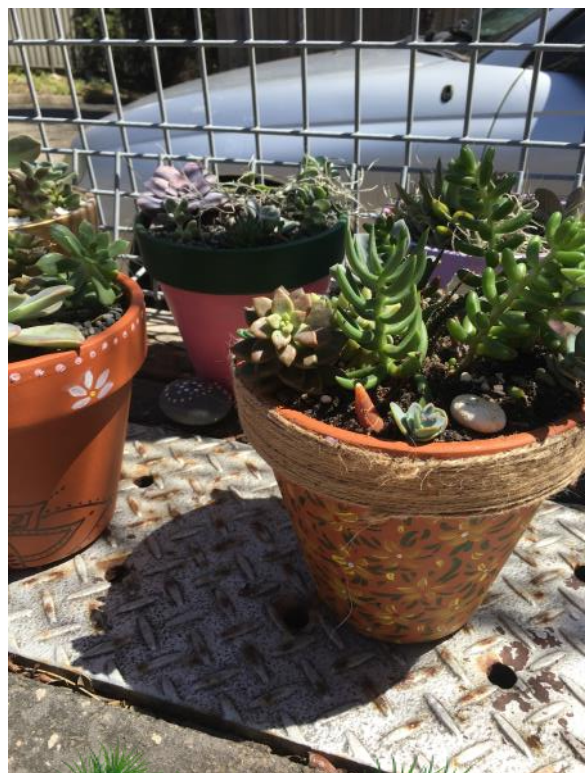

## “Crafty Plants”

One of the many end of year activities that was held this week was “Crafty Plants”.

It was a beautiful day and students enjoyed being out in the shade painting and decorating their pots before filling with succulents.

The succulents were supplied by Ms King from her very own garden (she does admit to being somewhat smitten with the plants) and the resulting projects looked fantastic!

# Year 10 Work Experience

Congratulations to Year 10 on their Work Experience placements in 2018.

They were butchers, bakers and almost everything except candlestick makers. This year over 97 per cent of Year Ten students have participated in Work Experience. During Week 7 students experienced the daily lives of nurses, engineers and teachers as well fitters, carpenters, electricians and plumbers. They were also designers, merchants, marketers and baristas and many more than space permits naming.

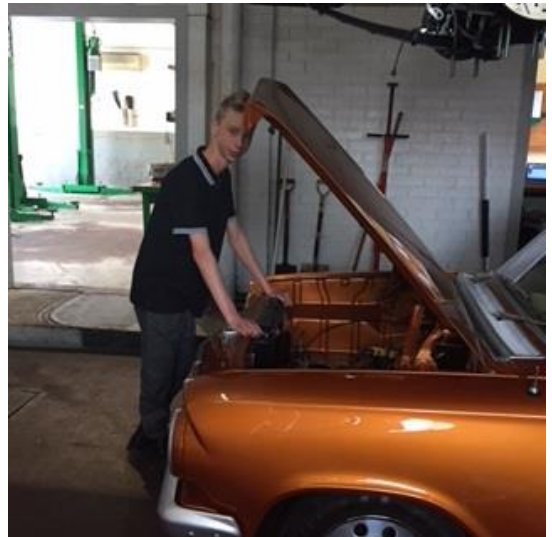

An eclectic and adventurous cohort of Year 10 students sought Work Experience placements of real interest in order to help them prepare for life post HSC. And boy, did they do well. Employers in all categories of employment were lavish with praise for the performance of our students. Many saying that they would be happy to take Woonona High School students at any time.

Some students discovered that the job they believed they were well suited for was really not for them. This is another benefit of Work Experience; it helps students to know themselves better and make more informed decisions regarding their futures. Unless you have a 'go' you will never know what you may be cut out for.

Thank you to all Year 10 teachers that took the time to supervise students on Work Experience as well as administrative and executive staff for all their support in making Work Experience happen for Year 10.

**Especially large thank you to all host employers that gave Year 10 students an opportunity to undergo Work Experience, it would not happen without your cooperation.**

**Mr Chamberlain Careers Adviser**

# Congratulations Ruby!

Building on her success from the South Coast Sporting Blues awards, Ruby Sargent-Wilson has been awarded a very prestigious NSW Combined High Schools sporting Blue for Australian Football. Ruby is the first female recipient of a football Blue, and joins other illustrious Blues recipients such as Mark Waugh (cricket) and Steve Waugh (soccer, cricket).

At the very swanky ceremony at the Homebush Bay ANZ Stadium, the audience heard from Olympian Jessica Fox, one of the most successful ever Australian athletes, and a former Blaxland High School student. Ruby was fortunate enough to be able to chat with Jessica following the ceremony and hear of her rigorous training regime.

Ruby was also recognised for:

- Representing South Coast SSA in Australian football, netball and touch football.
- Under 15 years NSWCHSSA Greater Sydney team member.
- Under 15 years "All Australia" merit team and was awarded the Helen "Squizz" Taylor girls "Player of the Year" at the Nationals.

A remarkable achievement by Ruby, congratulations!

## State Dance Ensemble

Congratulations to Elizabeth Apter and Layla Ryan, both of year 8, for successfully auditioning into the State Dance Ensemble. After making it through to the call back audition, they both attended a second workshop last Friday, alongside 40 students from around the region and were selected in the top tier. They will be attending weekly classes in Sydney, which are organised through the NSW Arts Units and have the exciting opportunity to work with leading choreographers and teachers throughout 2019. With opportunities to perform in the Sydney Regional Dance Festival, State Dance Festival and Schools Spectacular, we just know they will have an incredible time. An amazing achievement of both their persistence and dedication towards dance. Well done Elizabeth and Layla!

Mrs Steele - Dance Teacher

Elizabeth Apter

Layla Ryan

## Illawarra Mercury "Design an Ad"

**WINNERS:** Lancaster Law & Mediation's Graham Lancaster with winners (left to right) Olivia Pallier, Avoca Chappell, Laura Carrall and Lachlan Farthing. **Picture:** Robert Peet

### Being recognised for their creativity

ILLAWARRA school students have been recognised for their artistic talent as part of an *Illawarra Mercury* competition.

School students and businesses have participated in the *Mercury's* latest 'Design An Ad' project.

Design An Ad, now celebrating 32 years, operates throughout Fairfax's Australian Community Media network.

School students are given the opportunity to design and create an advert for a

participating local business. These designs must be hand drawn and must follow a design brief as outlined by the business.

First place in the primary school category was Lake Heights Public School year 6 student Lachlan Farthing.

First place in the high school category was Woonona High School year 7 student Olivia Pallier.

The first, second and third place winners received cash prizes, and winning schools also received a cash prize.

## At Assembly This Week

At last week's formal Stage 4 assembly the presentation of medals for the South Coast team awards for 2018 were made. The following students received medals for South Coast representation in various sports:

Water polo—Jade Timbrell and Billy Sargent-Wilson

Softball—Ben Luyten and Thom Davis

Cricket—Connor Gray

Athletics—Max Timbrell, Amy Joy, Jarryd Arnold, Dean Brackenridge.

Congratulations to all these students.

This week at assembly, History Competition awards were presented. Ms Pickering (HT HSIE Relieving) presented the following Year 8 students with awards for their efforts: Holly Sargent, Madeleine Saxby and Logan Fitzgibbon. Well done to these students.

# Hospitality News

This week our Hospitality class made chocolate mouse with chocolate soil.

Popular Hospitality teacher Mr De Main was also snapped enjoying a sausage sizzle with his senior class members. Mr De Main will be taking leave next year to join Five Islands College for twelve months. He will join them in the role of "Big Picture Adviser".

Good luck Mr De Main on your new adventure.

## Well done Lachlan!

### Great Achievement Lachlan!

Year 7 student Lachlan Haining competed in the Athletics NSW state track relay championships on Saturday 24 November and his team won a bronze medal in the 4x 1500m.

Great effort Lachlan!

## Christmas Giving Tree

A big thank you to all the families that donated to our Christmas Giving Tree.

Once again this year our SRC had asked for donations of tinned food, non perishable food items or a toy for our Christmas drive and it was heart warming to see that our school community gave generously again this year.

Donations will be delivered to the Wollongong Emergency Family Housing Centre / Homeless Hub.

Thank you from your SRC.
