# Principal's Report

Our staff are finalising preparations for the Open Night next Monday evening, November 19. As decisions about high school are being made earlier, we are targeting Year 4 and 5 students to come and have a look at what Woonona High School can offer them for their secondary education. If you have younger children, or friends and acquaintances with Year 4 and 5 children, be sure to let them know about this night.

This week the Executive are finalising our staffing for 2019 which involves confirming the Year 7 students who will be joining us next year and what staff are required to deliver their curriculum.

Following a recent Merit Selection process, Mr Shane Rayner has been appointed permanently to the position of Deputy Principal. Mr Rayner had previously been acting in the role vacated by Mr Neil Brophy and impressed the selection panel with his commitment to student wellbeing and learning.

Ms Amy Packer will continue to relieve in the other Deputy Principal's position which is currently vacant due to Ms Natasha Watt's secondment to Head Office until the end of Term 3, 2019.

In Ms Packer's place, Ms Katrina Pickering will be relieving as Head Teacher, HSIE, until the current expression of interest process expires at the end of Term 1. Many thanks to the work Ms Gail Mellor has done in the role for Terms 2 and 3.

Mrs Carla McCarthy will be relieving Head Teacher Wellbeing in the position vacated by Mr Rayner.

Mr Michael de Main has been successful in an expression of interest process to teach in the Big Picture program at Five Islands Secondary College for 2019. We wish him the best for his time there and look forward to the knowledge and skills he will return to us with in 2020.

Mr de Main has done a wonderful job of the role of Year Adviser for the current Year 11 cohort. Fortuitously, he has been working very closely this year with Mrs Kate Rayner, who will take over as Year Adviser until these students graduate.

Our Raising Achievement project for Senior Students will continue to be led by Mrs Robyn Abrahams (Year 12) and Mrs Rayner (Year 11) for 2019.

A number of temporary positions have been filled through expression of interest processes to ensure we have a full complement of committed, high quality teachers to start the year with a bang.

A full list of 2019 teachers will be published in the first newsletter next year.

# CAPA and Enrichment Class Day

An excited bunch of Year 6 students attended our Enrichment and CAPA Enrichment Day on Nov 8. The day was filled with creating new connections within their areas of discipline and meeting staff members, including their Year Advisor - Mr Gilbert, who will be supporting them in 2019. The students all noted they made lots of new friends from different schools and felt quite comfortable with their 2019 peers.

Year 7 helpers assisted throughout the day in lessons such as Science, Maths, HSIE, English, Music, Visual Arts, Dance, Circus and Drama. A fun filled 'day in the life of a high school student' kept the Year 6 students busy and excited for what 2019 will bring, including timetabled lessons, bell times and a variety of classrooms. Thank you to Mrs Mete & Mr De Main who cooked up the BBQ for lunch and to all of the teachers who hosted lessons our Year 6 students - they had a ball! We look forward to hosting you all again on your upcoming Orientation Day, Tuesday 4 December.

Mrs Steele - Transition Coordinator.

## Dance for Sport

We are thrilled to be hosting Michelle Forte from Austinmer Dance Theatre each week. Students range from Years 7-10 and are currently involved in developing a piece to be performed at our annual Variety Night showcase, Tuesday 18 Dec.

Michelle's strength and expertise is in contemporary dance and she is currently workshopping our students in a variety of areas to further develop their understanding and appreciation of contemporary dance - most of which are being pushed out of their comfort zones. Focus and quality of line is a large aspect of individual performance and the students have shown great diligence in developing these skills. The 18 students in this group range from beginners to advanced dancers and will have the opportunity to be showcased based on their abilities and strengths. We are extremely lucky to have Michelle working with our students during Term 4 and we look forward to welcoming her back again in 2019.

Mrs Steele - CAPA Head Teacher (relieving)

## Aerials for Sport

On what was supposed to be our fourth and final week training at the wonderful Air Born gym, (while Year 12 students sat their HSC exams in the school hall), the rain had other plans. Students stayed at school and experimented with two-, three-, and four-person acrobalance shapes. Acrobalance combines adagio (partner lifts) and handbalancing skills. It is an excellent way for students to work on their strength, control, body and spatial awareness, as well as their ability to effectively communicate and collaborate with each other.

# HSC Visual Art

This week was the final week for the HSC written examinations for 2018 as well as the practical examination marking of Visual Arts major works.

Those who attended the HSC CAPA Showcase in September had the chance to view the finished works and now that marking has been finalised we are able to publish photographs of the artwork.

There were some amazing pieces submitted and Visual Arts teacher Mr Hoole said that the standard of the major artworks was extremely high this year and that he is very proud of his students. Congratulations to all students.

# The World's Largest Mental Health Awareness Lesson

Over 2,000 NSW public school students came together to earn the GUINNESS WORLD RECORDS® title for The World's Largest Mental Health Awareness Lesson on Friday 9 November.

Many students across the state participated in the lesson online, but students at Woonona High had the opportunity to travel to Sydney Olympic Park and participate in the largest world mental health lesson in person. Here the students got to speak with representatives from head space and take part in the actual lesson, breaking the world record.

The lesson also went live via YouTube.

# Library News—Scary Stories Week

This week we celebrated Scary Stories Week. Students were spooked by bats, cackling witches and numerous skeletons every time they entered the library. Displays of our most blood curdling books were also on hand to entice our readers.

During the week we also held a “Scary” party with lots of spooky games and competitions. Pass the parcel and ghost bingo were the biggest hits of the day.

Students were also fed with delicious severed fingers, eyeballs, mummies and creepy spiders made by our Library assistant, Ms Brooks.

## Year 7 Zoo Excursion

On Tuesday, 6th November, 137 Year 7 students participated in the Taronga Zoo excursion as part of the Classification topic currently being studied in Science. Everyone had a fantastic day and the attitude and behaviour of the students was excellent. Our students got to see the bird and seal shows and gain a better understanding of the efforts that the Taronga Zoo community put towards conservation, both in Australia and abroad. Whilst it was a very hot day, we did get to see a whole range of animals out and being quite active. This included elephants, giraffes, chimpanzees, gorillas and an aggressive display by the red bellied black snakes. The meerkats were definitely a favourite amongst our students but they were disappointed that the tigers were enjoying a sleep!

Here are some of the comments from the students:

-My favourite part of the zoo was when we were watching the monkeys. We watched them for half an hour because they were all fighting for a coconut

-My favourite animal at the zoo was the meerkats. They were so adorable and the older ones were looking after the younger meerkats. Some of them were playing dead, and it was very cute. I had a great day at the zoo with my friends.

-My favourite part about the zoo was the silver back gorilla when it was running around and grunting like me when I get told to do chores

-The last half hour of the trip we decided to go see the chimpanzees. It was so funny to watch as they were all chasing a coconut. It was so relaxing to watch them have fun

It was a great day for all. Thank you to the teachers who came along on the day!

## Operation Christmas Child

Christmas is around the corner and for many of us it is a merry making time, however, for many others this is not the case. This year I am inviting Year 8 students to donate small gifts to brighten up Christmas for children in developing countries through Operation Christmas Child (OCC) - a project of Samaritan's Purse. This initiative provides children with a shoebox of gifts to open on Christmas morning.

# Bandanna Day

On Thursday 1 November, Woonona High School supported CanTeen by holding Bandanna Day. Our SRC members sold bandannas during roll call, recess and at lunch with many students and staff taking the opportunity to purchase a bandanna and support this very worthy cause.

Canteen is an organisation that supports young people aged 12 – 25 coping with cancer, providing counselling and support. The organisation also helps provide specialist treatment in a number of major hospitals.

# Apple Strudel, Yum!

This week our Food Technology class were snapped making strudel pastry and apple filling, a delicate task involving precision rolling and cutting of the pastry as well as cooking the apple filling to perfection. The class also made home made custard to serve along side their strudels.

The results look amazing and if the students are looking for a taste tester, I will happily volunteer my services!

## Well Done Isaac!

Last week the following email was forwarded to us by Year 10 student Isaac Warburton's very proud parents:

I would like to comment on the Illawarra's captain Isaac Warburton from the u16s Greater Illawarra Cricket Zone U16s game yesterday v's South Coast

To keep it brief

I was so impressed with this young man's attitude during yesterday's game, he came over as soon as was walked out in the middle to set up the stumps and introduced himself with real confidence and a fantastic attitude.

He was so respectful to me as the umpire the whole game, his communication with myself was 1st class and courteous all the time.

Even better was his manner to not just his team but to the whole south coast team when they came out to bat or even when he was batting.

I think a lot of senior captains could take a look at Isaac's behaviour and respect towards everyone and improve their own habits.

Isaac is a credit to himself, his parents and his club and has a big future in cricket especially as a captain.

Last month Isaac was also recognised by the Illawarra Referee's Association as 'Rookie of the Year'.

Also without forgetting South Coasts captain Liam Urszulak was the same and both coaches, managers and both groups of spectators were great yesterday and made it a really enjoyable game to umpire.

Regards,

Scott Greenwood.

Well done Isaac!

## Parent Survey

Dear Parent / Caregiver

Every year we seek input and feedback from parents as part of our school planning cycle.

We would really appreciate it if you could take the time to complete a short survey (it should take approx. 15 minutes)

The results of this survey are used in school planning and they allow us to reflect upon our practice, make any adjustments needed and celebrate success.

Community members, school groups, families and friends are encouraged to attend a commemorative ceremony and parade as members of the 4<sup>th</sup> / 3<sup>rd</sup> Battalion exercise their Freedom of Entry to the City on Saturday 17 November.

The event will start in MacCabe Park at 1pm where the 4<sup>th</sup> / 3<sup>rd</sup> Battalion will lay wreaths at the Cenotaph.

NSW Governor General David Hurley AC DSC [Ret'd] will attend the ceremony with Wollongong City Lord Mayor Councillor Gordon Bradbery AM prior to the march from the Cenotaph in MacCabe Park. The march will proceed into the City Centre, via Globe Lane and finish at the eastern end of the Mall at Kembla Street.

The ceremony commemorates the centenary of the end of World War I in November 1918.

The City welcomes the Battalion exercising their right to Freedom of Entry. The Battalion was granted Freedom of Entry in March 2004. The ceremony and parade on 17 November will recognise the vital role the 4<sup>th</sup> / 3<sup>rd</sup> battalion has played in the Australian defence forces.

Everyone is encouraged to come out and pay tribute to our local Battalion which has provided assistance to our defence forces for many years.

It is a good opportunity for all community members to see a traditional military parade through the heart of Wollongong where Battalion members will have their bayonets fixed, colours flying and music playing.

The 'Freedom of Entry to the City' is an honour that dates back to medieval times and was granted to military units that earned a city's trust. Citizens of these cities had the power to refuse entry to armed groups unless the citizens were confident of their own safety.

For more information you can contact Council's Customer Service on (02) 4227 7111 or visit our website at [www.wollongong.nsw.gov.au](http://www.wollongong.nsw.gov.au)
